

Anand Subramanian

CHIEF OPERATING OFFICER

As Chief Operating Officer of ecoSPIRITS, Anand oversees Corporate Strategy, Finance and Accounting, Corporate Finance, Board and Investor Relations and Human Resource functions. Anand will be instrumental in designing, planning and implementing business strategies and long-term plans and establishing policies and procedures that will promote ecoSPIRITS' culture and vision. Anand will also be responsible for management reporting, controllership and compliance and will act as a catalyst for driving business transformation by linking strategic objectives with financial goals. In addition, Anand will spearhead all fund-raising activities and board and investor relations. In this role, Anand will work closely with the CEO in crafting the culture, values and ethos of ecoSPIRITS to maximize employee potential. Anand has a personal passion for sustainability and will act as one of ecoSPIRITS' leading advocates for the circular economy and decarbonization .

Prior to joining ecoSPIRITS, Anand was the Head of Corporate Strategy, APAC at Comcast NBCUniversal and responsible for all business development and M&A activities in APAC region. Anand's has over 17 years of experience in Corporate Strategy, Private Equity, Venture Capital, and Investment Banking.

ecoSPIRITS™
